

Valve unit for level detector CU-1/2

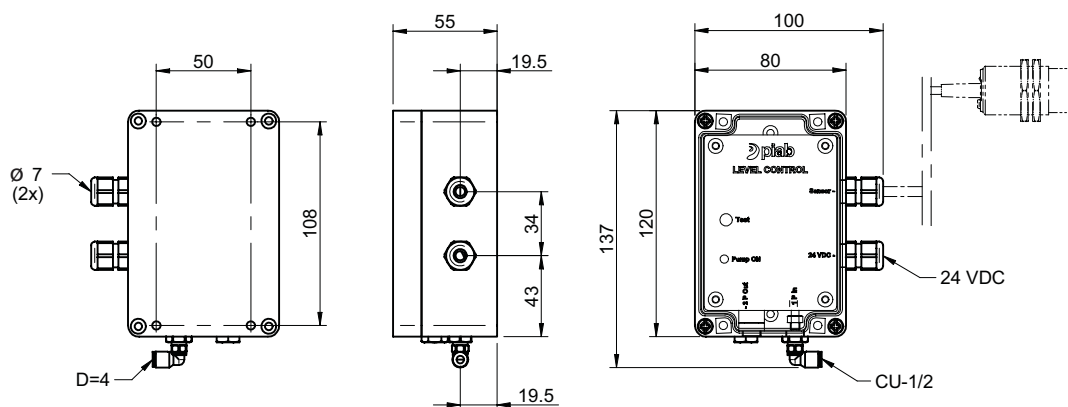

- ▶ Apply with CU-1/2.
- ▶ Level sensor must be ordered separately.

Technical data

Description	Unit	Value
Feed pressure, max.	MPa	0.7
Feed pressure range	MPa	0.4-0.6
Material		PC, POM
Temperature range	°C	0-50
Weight	g	396
Voltage	V	24
Safety classification		IP54

Ordering information

Description	Art. No.
Valve unit for level detector	0124051

Ordering information accessories

Description	Art. No.
Capacitive Sensor M32 4-wire DC PNP	0124098
Capacitive Sensor M32 5-wire DC PNP ATEX	0124099
