

Injection valves

- ▶ Fulfills the requirements of FDA.
- ▶ Antistatic.
- ▶ Used to provide the product with extra carrying air.

Technical data

Description	Unit	Value
Material		SS 2343, Nickel-plated brass, NBR
Temperature	C°	-20–125

Ordering information

Description	Art. No.
Injection valve 22 cpl	3404039
Injection valve 32 cpl	3404038
Injection valve 40 cpl	3404037
Injection valve 50 cpl	3404036
Injection valve 75 cpl	3404035
Injection valve 100 cpl	3404034

Dimensions

Description	D mm	L mm	G
Injection valve 22 cpl	22.0	118	3/8"
Injection valve 32 cpl	32.0	133	1/2"
Injection valve 40 cpl	40.0	154	3/4"
Injection valve 50 cpl	51.0	181	1"
Injection valve 75 cpl	76.1	236	1 1/4"
Injection valve 100 cpl	101.6	293	2"
